Limited Warranty/Limitation of Liability

Oral Arts Laboratories ("the lab") warrants that all dental devices (a "device") are made according to your specification and approval in the belief that the device will be useful and makes no other warranties including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose. This Limited Warranty and Limitation of Liability ("Agreement") will be extended with the presentation of a verified proof-of-purchase, which includes an original invoice number/date, patient's name and the original model. This limited warranty extends only to the original purchaser of a device and does not extend to patients or other individuals and/or entities to whom the device(s) is/are sold, implanted, inserted or delivered. Subject to the return of a device that is placed and then fails, the lab will repair or remake the device without charge for the cost of materials and workmanship or credit the original price paid, at the lab's option, as follows: (1) porcelain to metal, all porcelain, all metal, single-unit inlay, onlay and crown composite resin final prosthetics (excluding mutually opposing implant- supported full arch bridges), milled implant bars, and screw-retained titanium or zirconia abutments (excluding abutments with angulations greater than 20 degrees), up to seven years; (2) composite resin bridges (excluding Maryland and inlay/onlay bridges) up to five years; (3) dentures and partials including screw-retained dentures but excluding immediate dentures and partials up to one year if the failure is due to defects in materials or workmanship; (4) thermoformed appliances and splints if the failure is due to defects in materials or workmanship, temporaries, composite resin Maryland and inlay/onlay bridges, up to six months; (5) immediate dentures and partials, flippers, retainers, surgical and radiographic guides, and all other dental devices up to thirty days if the failure is due to defects in materials or workmanship. You agree to pay all other costs of adjustment, repair and replacement of a device. Except where prohibited by law, the lab will not be liable for any loss or damages arising from the use of a device, whether direct, indirect, special, incidental or consequential, regardless of the theory asserted, including warranty, contract, negligence or strict liability and if such disclaimer is not permitted by law, the duration of any implied warranty is limited to 90 days from the date of delivery. The lab does not guarantee the performance of independent carriers. Oral Arts will only accept returns of implant parts on un-opened packages with the product in its original condition. The parties to this Agreement mutually agree to waive any and all class actions in favor of mandatory individual arbitration of all claims arising out of, or related to, this Agreement. Any controversy or claim arising out of, or relating to, this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association. The place of the arbitration shall be Huntsville, Alabama and Alabama state law shall apply.
